Produce Lane comes to TASTE

Council is seeking applications from produce market stallholders for an exciting new addition to the annual TASTE Food Wine and Music Festival.

Produce Lane will be launched as part of the festival and showcase a range of fresh and local food.

The event is a feature of the Camden Festival that attracts more than 5,000 attendees and will include seasonal fruit and vegetables, meats, seafood, baked goods, spices, cheeses and specialty food products as well as food-related items and gifts.

Mayor Lara Symkowiak said she was excited to see the event evolve and offer more to the community.

“TASTE is a highlight of our annual Spring celebration that continues to grow in variety and popularity,” Cr Symkowiak said.

“The addition of Produce Lane will add another dimension to the event and allow people to take local produce home to enjoy,” she said.

“This is the perfect opportunity for local farmers, bakers, fromagers and others to showcase their products in the Camden community.”

Stallholders are invited to visit camdenfestival.com.au for more information and to apply. Applications close 26 August 2018.
