# WELCOME OUR NEW MAYOR

## MAYOR'S MESSAGE

I am truly honoured to be appointed as the new Mayor of Camden.

As your Mayor, I am committed to building on the many activities and projects we have delivered over the past few years and I am dedicated to continue to serve the Camden community.

I am so proud of what Camden has achieved as Australia's fastest growing Local Government Area, this is a remarkable time for our community. I will maintain the momentum of this Council to continue to achieve the services and projects that we are committed to delivering.

I look forward to working with fellow Councillors and Council staff to provide quality services, infrastructure and facilities. Together, we will continue the work that is underway to secure the area's future as a great place to live and work.

It is important to me that we preserve everything that is special about this beautiful region and support a quality lifestyle for our residents.

We are working to support our local businesses by providing infrastructure including road upgrades, improved pedestrian access to central business districts and events and activities that promote the area.

I would like to thank our previous Mayor, Cr Lara Symkowiak for her fantastic work and acknowledge her great leadership over the past six years.

I look forward to working with the community, my fellow Councillors and Council staff to generate the best possible outcome for the area.

*Peter Sidgreaves*

## ABOUT YOUR NEW MAYOR

### How long have you served Camden as a Councillor?

I have had the privilege of being elected a Councillor of Camden since 2012. This is my second term on Council.

### What is your vision for Camden?

It is important to me that we preserve everything that is special about this beautiful region and support a quality lifestyle for residents. We will continue the work that is underway to secure the area's future as a great place to live and work by delivering new sport and recreation facilities to sustain the wellbeing of residents.

### What projects are you passionate about?

I am particularly passionate about creating an environment where businesses in Camden can grow and flourish.

Job growth in our area is a critical issue to Council and has been central to the establishment of initiatives such as the Camden Town Centre Streetscape Improvements and the Camden Region Economic Taskforce (CRET).

It is vital we support local job growth to ensure opportunities as many residents travel a long distance to work outside the Camden LGA. Creating more local jobs will enable employment closer to home to help reduce time away from the family.

## CAMDEN'S REGIONAL ECONOMIC TASKFORCE (CRET) UPDATE

### The Camden Region Economic Taskforce (CRET) has launched its strategic plan to facilitate economic growth across the region.

Late last year, Council established and appointed a board that operates independently to proactively seize opportunities to attract and encourage investment and create new jobs.

The Strategic Plan (2018-2021) identifies the taskforce as a leading body for the current and future business sector to support a collaborative economic environment and respond to existing and emerging businesses.

The strategy outlines the key strategic directions to achieve in the next three years, including:

- Engage with the Camden LGA business community;
- Understand and promote the identity and opportunities that exist;
- Understand the education and training required to grow local jobs; and
- Take advantage of the opportunities of infrastructure and major development in Western Sydney.

The strategy will be implemented in partnership with Council, key government stakeholders, industry partners and engage with the local business community to ensure effective collaboration.

For more information on CRET visit Council's website [www.camden.nsw.gov.au](http://www.camden.nsw.gov.au) and type CRET in the search toolbar.

## PAWS FOR A SECOND

**Local young people studying for exams and assessments had the opportunity to 'paws' for a second at Narellan Library throughout October.**

The Paws for a Second program encouraged students to destress and evaluate their wellbeing during the stressful time of study by playing with pooches.

This is a partnership program driven by Council's Youth Services with PAWS Pet Therapy and the Camden Youth Council. For more information call 4645 5021.

## COUNCIL STANDS AGAINST BULLYING

Council has launched an anti-bullying campaign with new signage on three of its waste collection trucks designed by young people, to combat bullying.

Bullying was this year recognised as the number one issue affecting young people in the Camden community. Messages on the new trucks include "Bullying is Garbage", "Stand Up and Speak Out!" and includes contact details for both Lifeline and Kids Helpline.

These trucks will join the fleet of waste collection vehicles that display signage to raise awareness of mental health, suicide prevention and domestic violence. Keep an eye out for these messages on your bin collection day.

## COUNCIL WINS YOUTH WEEK AWARD

The Camden Youth Week event was recently recognised as one of the best in the state, with Council named joint winner for Best Ongoing Commitment to Local Youth Week Programs 2018.

The announcement was made at the NSW Local Government Awards, where Council was selected as a finalist for the eighth consecutive year.

*Young people across Camden enjoyed many activities on offer as part of Youth Week 2018.*

## COUNCIL SUPPORTS WHITE RIBBON

Council is proudly working with White Ribbon in Australia's campaign to stop violence against women.

Many of Council's work trucks now carry the White Ribbon logo.

Together, let's build a future free from violence and abuse.

## MASTERPLAN ADOPTED FOR KIRKHAM PARK SPORTS COMPLEX

Plans for the future use of the multi-sport and recreational facility at Kirkham Park in Elderslie have now been secured.

Council adopted the Kirkham Park Masterplan that outlines the future for the site and Stage One has been funded to a total of \$2.85 million, which will include a BMX expansion, additional rugby league fields and upgrade and improvements to the skatepark and playground. Council will be exploring further funding and grant opportunities.

The complete master plan includes:

- A new BMX track and jump park facilities;
- Cricket facilities;
- Rugby league grandstand with amenities and change room;
- Two new sports field areas;
- New car park area;
- Playground improvements;
- Cycle paths and connecting footpaths from surrounding areas;
- Relocation of fences; and
- Improved drainage systems.

For more information on the project visit Council's website [www.camden.nsw.gov.au](http://www.camden.nsw.gov.au)

## CAMDEN TOWN CENTRE STREETSCAPE IMPROVEMENTS

**The revitalisation of Argyle Street is continuing with Stage 4 works now in operation.**

The \$2.2 million streetscape works between Hill Street and Elizabeth Street will include:

- Widening and construction of new footpaths;
- Installation of new street furniture;
- Additional trees and garden beds;
- Installation of new street lighting;
- Improved drainage; and
- Undergrounding of some overhead power lines.

Works are expected to be completed in June 2019, weather permitting.

Stage 3 of the works between Oxley Street and Murry Street were recently completed and continued the design theme already completed between Oxley Street and Hill Street and Elizabeth Street and Edward Street.

The revitalisation works will help ensure the main street of Camden remains relevant to our growing Local Government Area, while improving the safety and visual appeal of the historic town centre.

## COUNCIL AWARDS TENDER TO UPGRADE NARELLAN INTERSECTION

**A key intersection in Narellan will be upgraded as part of a \$3.57 million road project by the NSW Government.**

The Camden Valley Way – Grahams Hill Road/Richardson Road intersection will be widened to straighten the lanes from Richardson Road to Grahams Hills Road and a right turn lane added to allow motorists to turn right onto Camden Valley Way.

Powerlines will be moved underground, new lights will be installed and roadside landscaping will also be completed as part of the project.

For further information visit Council's website [www.camden.nsw.gov.au](http://www.camden.nsw.gov.au).

# YOUTH SPACES AND WATER PLAY SPACE OPENINGS

Skate, scoot or cycle down to the opening of the exciting new Sedgewick Reserve Youth Play Space, opening to the public on Saturday 17 November from 10am to 2pm.

Following the official opening, families can enjoy face painting, a delicious barbeque lunch and jumping castles.

Children and youth are invited to explore the new play space by bringing along their scooter or bike to try out the new skate facilities.

The new youth play space will expand on the existing young children's playground and will feature new playground equipment including a recessed trampoline, climbing equipment, musical equipment and natural play elements to enhance the diversity of play experiences.

Curry Reserve Water Play Space

Camden Council's first Water Play Space at Curry Reserve will be officially opened on Saturday 1 December from 10am to 3pm.

Bring the family and enjoy the new Water Play Space as well as water slides, face painting, jumping castles, sand sculpture workshops, barbeque lunch, ice cream and snow cones.

The fully accessible water play space has been designed for all ages and features heated water to improve comfort and allow extended access into the spring and autumn seasons.

Additional car parking and landscaping are also part of the project. New amenities will be delivered in autumn 2019.

**On Saturday 3 November, the new Harrington Park Lake Reserve Youth Play Space was officially opened by the Mayor of Camden, Councillor Peter Sidgreaves.**

Families enjoyed exploring the new Youth Play Space as well as jumping castles, free face painting and garden games.

**The Space features challenging ninja warrior style equipment and amenities offering a dynamic play experience for all ages with a focus on 12 to 17 year old's.**

Council committed almost \$5 million to deliver the outdoor play spaces at Harrington Park, Currans Hill and Elderslie to provide more options for children, young people and families to exercise and socialise.

For more information on the projects and the official openings visit [www.camden.nsw.gov.au](http://www.camden.nsw.gov.au)

## CAMDEN FESTIVAL HIGHLIGHTS

Thousands of people gathered at Camden's annual Camden Festival from 8-23 September.

Highlights included **Cinema Under the Stars** featuring family favourite movie *Despicable Me 3*, as well as family-friendly activities and food stalls.

**Picnic in the Park** which saw hundreds of families and children get together for garden games, floral crown making and pot planting workshops as well as a selection of food stalls and live entertainment.

Other highlights included the much-anticipated **Kid's Fun Day** featuring a toddler wonderland filled with free activities, clowns, face painting, Batman and the Batmobile and special appearance by Nickelodeon's PAW Patrol characters Chase, Marshall and Ryder.

The festival concluded with the show-stopping **TASTE, Food, Wine and Music Festival** featuring more than

60 food and beverage vendors offering a smorgasbord of tasty options.

Celebrity chef Miguel Maestre and dessert chef Katherine Sabbath cooked up a storm with live cooking demonstrations, where crowds were invited to watch and sample their creations.

Live music performances on the main stage enlivened the atmosphere throughout the day, while the cooking workshops and jumping castle kept the children entertained.

The newest addition to TASTE this year featured **Produce Lane**, offering gourmet take home treats and produce, as well as **TASTE After Hours**, where the event continued with special offers throughout Argyle street, Camden at participating restaurants, cafes, bars and pubs.

## COUNCIL TACKLES ILLEGAL WASTE DUMPING

Illegal waste dumping in the Camden Council area is being targeted as part of a campaign to tackle this growing environmental and public health issue.

Since February this year, Council has investigated approximately 600 illegal waste dumping incidents on both public and private lands.

Willful or negligent disposal of waste may attract the following maximum penalties:

- for an individual: \$1 million and/ or 7-year prison sentence for willful offence and \$500,000 and/or 4-year prison sentence for negligent offences
- for a corporation: \$5 million for willful offences and \$2 million for negligent offences
- Council officers may also issue on-the-spot fines of up to \$4,000 for an individual and \$8,000 for corporations.

Reports of illegal dumping can be made to Council by phoning Council on 4654 7777, or the EPA on 131 555 or online to [www.ridonline.epa.nsw.gov.au](http://www.ridonline.epa.nsw.gov.au)

## HOME SWIMMING POOL SAFETY

The home swimming pool environment is often a place of fun and enjoyment, however, home pools pose a high risk of drowning, particularly for children under five years of age.

If your pool is capable of being filled with 300mm of water, it must be surrounded by appropriate fencing (see the checklist).

Some common mistakes of home pools include;

- Pool gates not self-closing or left open intentionally;
- Pool enclosures including property fencing not maintained. This includes missing fence palings which provide children access to the swimming pool area;
- Items such as pot plants, BBQ's or toys placed at close proximity to pool fencing that can be used as climbing objects into the pool area; and
- Absence of resuscitation charts within the pool area.

Council's website contains a checklist to assist pool owners to undertake their own swimming pool safety assessment. Visit [www.swimmingpoolregister.nsw.gov.au/checklists](http://www.swimmingpoolregister.nsw.gov.au/checklists) for more information.

**Did you know?** All swimming pools are required to be registered on the NSW Swimming Pool Register. Property owners can register their pool at [www.swimmingpoolregister.nsw.gov.au](http://www.swimmingpoolregister.nsw.gov.au)

For more information phone Council on 4654 7777.

## YOUTH PARTICIPATE IN PUBLIC ART PROJECT

Budding artists took part in a creative Public Art Project workshop in September, facilitated by professional artist Tim de Haan (PHIBS).

The project saw 12 young residents collaboratively develop ideas for mural artworks to be installed at Rotary Park, which included visual concepts around local flora and fauna.

Professional artist, PHIBS previously worked with young residents to install a public art mural at Harrington Park Community Centre last year.

More public art projects are planned for later this year within our new parks.

The Public Art Project workshop held on site with artist, Tim de Haan aka. PHIBS and included 12 local young residents.
