EXHIBITION CATALOGUE

INTRODUCTION

The Kerbside Exhibitions are a program of curated street exhibitions that bring together local artists to provide a colourful streetscape for visitors and locals to admire the talent of the community. Digital prints of artworks are displayed on guard rails, planter boxes, and bins along Argyle, Mitchell and Murray Street in Camden, and on bus shelters throughout the LGA.

For the Spring 2024 edition of the Kerbside Exhibition, local artists were invited to submit artworks which explore Camden's Heritage.
